

Screenings

- All Staff, Volunteers, and Participants will follow these steps to ensure the health and safety of all involved
- Upon arrival at the YOKE summer adventure site all participants (staff, volunteers, and students) will be asked to do the following
 - o Remain in vehicle until Staff member approaches for the pre-screening
 - o Answer the 5 question survey prior to participating
 - Have you been in close contact with a confirmed case of COVID-19?
 - Are you experiencing a cough, shortness of breath or sore throat?
 - Have you had a fever in the last 48 hours?
 - Have you had a new loss of taste or smell?
 - Have you had vomiting or diarrhea in the last 24 hours?
 - o Have temperature taken
 - Must be below 100.4
 - o Have a cloth facemask with them
 - Staff and volunteers will be asked to wear facemask
 - o Use hand sanitizer

Staffing

- YOKE will maintain a 1:5 – staff/volunteer : student ratio
- Staff and Volunteers will:
 - o Wear protective mask
 - *YOKE understands that there are varied opinions on the use of facemask, however, YOKE will be following CDC/Health department guidelines and we ask that all Staff and volunteers understand the need for our organization to follow these guidelines. If you are unwilling to wear a mask, you will be asked to not participate in the activities.*
 - o Maintain 6 foot distance when possible
- Staff and volunteers will have a specifically assigned role for the plan activities that they will remain at throughout the program limiting the need for multiple people touching the same equipment.

Students

- Upon arrival Students will:
 - o Follow the above description in the screening section
 - o In addition, students will adhere to a visual screening by YOKE staff member looking for signs of illness which could include flushed cheeks, rapid breathing/difficult breathing, fatigue, or extreme irritability.

Parent Guidelines

- Due to the guidelines and policies provided by the Health Department and CDC, YOKE is limited to a total of 50 people participating in organized activities.

- We ask that parents/guardians do one of the following to:
 - o Drop kids off and return to pick them up at the end of the activity
 - o Remain in your car during the activity
 - o Or, bring a camping type chair and sit in the designated area to watch the activity while maintaining the six (6) feet social distancing guideline.

Promotion

- Due to the need to limit the size of our group, we will be hosting activities in various location to across our service area. Because of the need to limit participation, we will promote our program to a very specific group of schools to attempt to keep our numbers as close to the CDC/Health Department recommendations.
- Promotion will be done via social media and direct communication between YOKE Staff/Volunteer and students via text, email, phone calls.

Program

- Locations
 - o Due to the need to keep participation levels at the recommended CDC/Health Department Size, YOKE Summer Adventures will host activities at various location in local communities around our service area.
 - o Current Sites and Assigned Schools for YOKE Summer Activities
- Dates/Calendar
 - o 6:30-8:30pm – time will be built in to the schedule for screenings and for check-in time with the students (a time that we can see how they are doing)
 - o Calendar of YOKE Summer Activities (will update after first event)

June

16th Trial Run at Calvary Baptist Church

- Registration, Drop-off and pick-up
 - o Registration will be done online. We will ask all participants to pre-register to help keep group size to 50 (including staff and volunteers)
 - o Students will need to dropped off by a parent or guardian that can assist in the check-in process outlined above.
 - o Students are welcome to invite friends who have not attended YOKE Club, however, they need to be dropped off by their parent or guardian.
- Transportation
 - o Students will be transported to each location by a parent or guardian
 - o Unfortunately, at this time YOKE or any YOKE staff and or Volunteer will not be able to assist with transportation
- Food/Drink
 - o Participants will need to pack any lunch, snacks, and/or drinks that are needed.
-

- Activities (tentative ideas, just to give you an idea)
 - Participants will need to maintain social distancing at all times. YOKE will place cones or marks on the field to indicate the proper distance.
 - YOKE Meet-up
 - Catch-up time
 - Let's just see how everyone is doing
 - Games like charades, head-bands, Pictionary, etc.
 - YOKE Field Day
 - Dizzy bat relay w/o a bat – participants will run to a designated spot, spin around 10 times, and then attempt to run back to the starting line. (**no supplies**)
 - Jump the creek (**two ropes**)
 - Foot Standing: whoever stands on one foot the longest.
 - Arm Raising: whoever can hold their arm up longest without using the other arm.
 - Toe standing: kids stand on their tip toes, and whoever can stand on their tip toes the longest wins.
 - Stare Down: Divide kids into pairs. Tell partners to stare until one blinks. The winner progresses to the next round until there is only one kid left.
 - Navitat
 - Students will register for a day to attend Navitat.
 - Parents/Guardians will be responsible for transportation
- Equipment & Supplies
 - Hand-sanitizer
 - Mask for staff and volunteers
 - Thermometers
 - Cones/field paint
