Host a Virtual Table

Table hosts are vital to the success of the event. There is no charge to “attend” or host a table, but there will be an opportunity during the event for guests to make a gift or a pledge. Table hosts simply commit to filling a virtual table of 10 with friends who would be interested in knowing about YOKE and have the capacity to invest in the mission.

To get involved, contact YOKE at (865) 522-6907 or yoke@yokeyouth.com.

“You can tell who YOKE really serves. You can tell by how they treat the students. You can tell by how they treat parents. You can tell by how they treat the school staff. You can tell by the conversations after midnight at camp. You can tell by how they show up every week. You can tell by how they reach out to kids to build relationships that go beyond the school walls. You can just tell. There is no doubt that the people at YOKE serve the God of the Bible and that they love our kids well. We will be forever grateful.”
